TERMS AND CONDITIONS OF YOUR ACCOUNT

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. In some instances we may use outside sources to confirm the information.

AGREEMENT - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully and retain it for future reference. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws, the laws of the state of Michigan and other applicable rules such as the operating letters of the Federal Reserve Banks and payment processing system rules (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

Except as provided in the Class Action Waiver, if any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document. Nothing in this document is intended to vary our duty to act in good faith and with ordinary care when required by law.

As used in this document the words "we," "our," and "us" mean the Credit Union and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms "you" and "your" should not be interpreted, to expand an individual's responsibility for an organization's liability. If this account is owned by a corporation, partnership or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

ARBITRATION AND CLASS ACTION WAIVER - Please note that this Agreement contains a binding Arbitration and Class Action Waiver provision which affects your rights with respect to any claims or disputes by or against Advia Credit Union regarding your accounts and all related products, services, and loans. Please closely review the Arbitration and Class Action Waiver section of this Agreement. You may opt out by following the specified process.

BYLAWS - Our bylaws, which we may amend from time to time, establish basic rules about our credit union policies and operations which affect your account and membership. You may obtain a copy of the bylaws by request. Unless we have agreed otherwise, you are not entitled to receive any original item after it is paid, although you may request that we send you an item(s) or a copy of an item(s).

LIABILITY - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges, without notice to you, directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

All debts, expenses, and other responsibilities of the account, whether caused by you or another with access to this account, shall be considered as held by each owner of the account either person or entity if you sign as the representative of another. This liability is due immediately, and we can deduct any amounts deposited into the account and apply those amounts to the shortage. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft.

You will be liable for our costs as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account. This includes, but is not limited to, disputes between you and an authorized signer or similar party; or a third party claiming an interest in your account. This also includes any action that you or a third party takes regarding the account that causes us, in good faith, to seek the advice of an attorney, whether or not we become involved in the dispute. All costs and attorneys' fees can be deducted from your account when they are incurred, without notice to you. You agree that at our option we may suspend your membership rights if you violate the terms of this agreement.

DEPOSITS - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of endorsement or lack of endorsement on the item and even though we provide you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Unless prohibited by law, we also reserve the right to charge back to your account the amount of any item deposited to your account or cashed for you which was initially paid by the payor bank and which is later returned to us due to an allegedly forged, unauthorized or missing endorsement, claim of alteration, encoding error, counterfeit cashier's check or other problem which in our judgment justifies reversal of credit. You authorize us to attempt to collect previously returned items without giving you notice, and in attempting to collect we may permit the payor bank to hold an item beyond the midnight deadline. Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. Advia only accepts Canadian currency for deposit in our East Michigan region branch locations. Aside from this exception, we do not accept currency other than U.S. dollars for deposit. Advia will accept checks made payable in foreign currency. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after close of business on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check or draft for deposit, we may require any third-party endorsers to verify or guarantee their endorsements, or endorse in our presence.

If this account earns dividends, we are prohibited by law from guaranteeing the payment of dividends or that dividends we do pay will be at the contracted rate. We must base our dividend payments to you upon the money we actually earn and that is available for distribution at the end of a dividend period.

WITHDRAWALS -

Generally - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to endorse any item payable to you or your order for deposit to this account or any other transaction with us. The fact that we may honor withdrawal requests which overdraw the finally collected account balance does not obligate us to do so, unless required by law. Withdrawals from a term share account prior to maturity or prior to the expiration of any notice period may be restricted and may be subject to penalty. The credit union reserves the right to establish cash back withdrawal limits at any time.

Postdated checks - A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check. Because we process checks electronically, we do not prohibit post-dated checks from clearing through our automated process.

Checks and withdrawal rules - If you do not purchase your check blanks from us, you must be certain that the MICR information on the check blanks you purchase is correct. You may want to give us an opportunity to review the check blanks you purchase for accuracy. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. We may refuse any withdrawal or transfer request which is greater in number than the frequency permitted by our policy, or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply any frequency limitations. In addition, we may place limitations on the account until your identity is verified.

Even if we honor a nonconforming request, we are not required to do so later. If you violate the stated transaction limitations (if any), in our discretion we may close your account or reclassify your account as another type of account. If we reclassify your account, your account will be subject to the fees and earnings rules of the new account classification.

If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item.

Cash withdrawals - We recommend you take care when making large cash withdrawals because carrying large amounts of cash may pose a danger to your personal safety. As an alternative to making a large cash withdrawal, you may want to consider a cashier's check or similar instrument. You assume full responsibility of any loss in the event the cash you withdraw is lost, stolen, or destroyed. You agree to hold us harmless from any loss you incur as a result of your decision to withdraw funds in the form of cash.

Multiple signatures, electronic check conversion, and similar transactions - An electronic check conversion transaction is a transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Funds Transfer regulation. In these types of transactions the check or similar item is either removed from circulation (truncated) or given back to you. As a result, we have no opportunity to review the signatures or otherwise examine the original check or item. You agree that, as to these or any items as to which we have no opportunity to examine the signatures, you waive any requirement of multiple signatures.

UNDERSTANDING AND AVOIDING OVERDRAFT AND NONSUFFICIENT FUNDS (NSF) FEES -

Generally - Your account has two kinds of balances: the actual balance and the available balance. We use the available balance to determine whether a transaction will overdraw your account, be returned, or declined and for determining when an overdraft (Courtesy Pay) or NSF (Returned Item) fee will be imposed. Your actual balance reflects transactions

that have posted to your account but not transactions that have been authorized and are pending. The information in this section is being provided to help you understand what happens if your account is overdrawn. Understanding the concepts of overdrafts and nonsufficient funds (NSF) is important and can help you avoid being assessed fees or charges. This section also provides contractual terms relating to overdrafts and NSF transactions.

An overdrawn account will typically result in you being charged an overdraft fee or an NSF fee. Generally, an overdraft occurs when there is not enough money in your account to pay for a transaction, but we pay (or cover) the transaction anyway. An NSF transaction is slightly different. In an NSF transaction, we do not cover the transaction. Instead, the transaction is rejected and the item or requested payment is returned. In either situation, we can charge you a fee.

Determining your available balance - We use the available balance method to determine whether your account is overdrawn, that is, whether there is enough money in your account to pay for a transaction. Importantly, your available balance may not be the same as your account's actual balance. This means an overdraft or an NSF transaction could occur regardless of your account's actual balance.

Your account's actual balance only includes transactions that have settled up to that point in time, that is, transactions (deposits and payments) that have posted to your account. The actual balance does not include outstanding transactions (such as checks that have not yet cleared and electronic transactions that have been authorized but which are still pending). The balance on your periodic statement is the ledger balance for your account as of the statement date.

As the name implies, your available balance is calculated based on the money "available" in your account to make payments. In other words, the available balance takes transactions that have been authorized, but not yet settled, and subtracts them from the actual balance. In addition, when calculating your available balance, any "holds" placed on deposits that have not yet cleared are also subtracted from the actual balance. For more information on how holds placed on funds in your account can impact your available balance, read the subsection titled "A temporary debit authorization hold affects your account balance."

Overdrafts - You understand that we may, at our discretion, honor withdrawal requests that overdraw your account. However, the fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later. You can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We can change our practice of paying, or not paying, discretionary overdrafts on your account without notice to you. You can ask us if we have other account services that might be available to you where we commit to paying overdrafts under certain circumstances, such as an overdraft protection line-of-credit or a plan to sweep funds from another account you have with us. You agree that we may charge fees for overdrafts. For consumer accounts, we will not charge fees for overdrafts caused by ATM withdrawals or one-time debit card transactions if you have not opted-in to that service. We may use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees.

Nonsufficient funds (NSF) fees - If an item drafted by you (such as a check) or a transaction you set up (such as a preauthorized transfer) is presented for payment in an amount that exceeds the available balance in your account, and we decide not to pay the item or transaction, you agree that we can charge you an NSF fee for returning the payment. Be aware that such an item or payment may be presented multiple times and that we do not monitor or control the number of times a transaction is presented for payment. You agree that we may charge you an NSF fee each time a payment is presented if the available balance in your account is not sufficient to cover the payment, regardless of the number of times the payment is presented. For example, if you wrote a check to a merchant (or other individual or entity) who submitted the payment to us and we returned the item (resulting in a Returned Item fee), the merchant may re-present the check for payment again. If the second and any subsequent presentations are returned unpaid, we may charge a Returned Item fee for each time we return the item. You understand this means you could be charged multiple Returned Item fees for one check that you wrote as that check could be presented and returned more than once. Similarly, if you authorize a merchant (or other individual or entity) to electronically debit your account, such as an ACH debit, you understand there could be multiple submissions of the electronic request which could result in multiple Returned Item fees. You agree that we do not determine whether and when an item will be presented for payment. Rather, we determine whether or not the available balance is sufficient to pay a presented item.

Payment types - Some, but not necessarily all, of the ways you can access the funds in your account include debit card transactions, automated clearing house (ACH) transactions, and check transactions. A debit card transaction might be authorized by use of a PIN, a signature, or a chip. An example of an ACH transaction is a preauthorized payment you have set up on a recurring basis. All these payment types can use different processing systems and some may take more or less time to post. This information is important for a number of reasons. For example, keeping track of the checks you write and the timing of the preauthorized payments you set up will help you to know what other transactions might still post against your account. For information about how and when we process these different payment types, see the "Payment order of items" subsection below.

Balance information - Keeping track of your balance is important. You can review your actual and available balances when you review your account online, at an ATM, by telephone, by mobile application, or at a branch.

Funds availability - Knowing when funds you deposit will be made available for withdrawal is another important concept that can help you avoid being assessed fees or charges. Please see our Funds Availability Disclosure for information on when different types of deposits will be made available for withdrawal. For those accounts to which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. An item may be returned after the funds from the deposit of that item are made available for withdrawal. In that case, we will reverse the credit of the item. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item that exceeds the available balance at any time between the times we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

A temporary debit authorization hold affects your account balance - Your available balance represents your actual balance minus any holds on your account, such as debit card transactions that have been authorized but are pending final settlement or holds for checks you have deposited. We may determine the available balance in your account for the purpose of deciding whether to return an item for insufficient funds or pay an overdraft at any time between the times we receive the item and when we return or pay the item. We need only make one determination, but if we choose to make a subsequent determination, the available balance at the subsequent time will determine whether there are sufficient available funds. This is important as certain transactions, including debit card transactions, may be authorized for payment (via an authorization hold); however, those transactions may still result in an overdraft if the transaction exceeds the account's available balance when the transaction posts to the account. The fact that an authorization hold was placed on your available balance does not mean the funds are set aside and made available to pay the specific transaction authorized. Rather, the hold is simply a reduction in your available balance based on the fact that we have authorized a transaction and, thus, are obligated to pay the transaction when posted. You are responsible for ensuring your available balance is sufficient to cover all of your transactions. For additional information on your available balance, please review the Courtesy Pay Overdraft Protection and Your Account program description and contact us if you have any questions. On debit card purchases, merchants may request a temporary hold on your account for a specified sum of money when the merchant does not know the exact amount of the purchase at the time the card is authorized. The amount of the temporary hold may be more than the actual amount of your purchase. Some common transactions where this occurs involve purchases of gasoline, hotel rooms, or meals at restaurants. When this happens, our processing system cannot determine that the amount of the hold exceeds the actual amount of your purchase. This temporary hold, and the amount charged to your account, will eventually be adjusted to the actual amount of your purchase, but it could be three calendar days, or even longer in some cases, before the adjustment is made. Until the adjustment is made, the amount of funds in your account available for other transactions will be reduced by the amount of the temporary hold. If another transaction is presented for payment in an amount greater than the funds left after the deduction of the temporary hold amount, you may be charged an NSF or overdraft fee according to our NSF or overdraft fee policy. You will be charged the fee even if you would have had sufficient funds in your account if the amount of the hold had been equal to the amount of your purchase.

Payment order of items - The order in which items are paid is important if the **available balance in the account is insufficient** to pay all of the items that are presented. The payment order can affect the number of items overdrawn or returned unpaid (NSF) and the amount of the fees you may have to pay. To assist you in managing your account, we are providing you with the following information regarding how we process those items.

Our policy is to process transactions in the order in which they are received. Automatic Clearing House (ACH) transactions are posted by settlement date in accordance with NACHA rules. In cases where ACH transaction data is received prior to the transaction's settlement date, it is held and posted on the transaction's settlement date. Transactions received on a previous day to be posted on the settlement date are posted to a member's account with ACH deposits posting before ACH withdrawals. Same-day ACH transactions are received and posted for the same day they are received, as dictated by the transaction's settlement date. In the case of same-day ACH entries, ACH deposits are posted before ACH withdrawals. When multiple ACH withdrawals are received to be posted to an account at the same time, they are posted from lowest to highest amount. We process share drafts that are presented "on-us" in the order they are received. Share drafts are posted to accounts when they are received by dollar amount - smallest to largest. We process incoming wire credits to accounts in the order they are received. We process debit card transactions in the order they are received on the day they are processed. We process ATM transactions in the order they are received on the day they are processed.

If a check, item or transaction is presented without sufficient available funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item (NSF). You agree we may charge a Returned Item fee each time an item is presented for payment even if the same item is presented for payment multiple times. We will not charge you a fee for paying an overdraft of an ATM or one-time debit card transaction if this is a consumer account and you have not opted-in to that service. The amounts of the overdraft and NSF fees are disclosed elsewhere, as are your rights to opt in to overdraft services for ATM and one-time debit card transactions, if applicable. We encourage you to make careful records and practice good account management. This will help you to avoid creating items without sufficient funds and potentially incurring the resulting fees.

OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION - These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We reserve the right to refuse some forms of ownership on any or all of our accounts. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

Individual Account - is an account in the name of one person.

Joint Account - With Survivorship (And Not As Tenants In Common) - is an account in the name of two or more persons. Each of you intend that when you die the balance in the account (subject to any previous pledge to which we have agreed) will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint

tenants with survivorship and not as tenants in common. Each of you intends that upon your death the balance in the account will belong to the survivor(s), subject to any lien we have on the account if any of you dies while indebted to us.

Beneficiaries - If beneficiaries are named, those beneficiaries acquire the right to withdraw only if: (1) all persons creating the account die, and (2) the beneficiary is then living, and (3) any and all debts to us are satisfied. If two or more beneficiaries are named and survive, upon the death of all persons creating the account, such beneficiaries will own this account in equal shares, without right of survivorship.

BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. You represent that you have the authority to open and conduct business on this account on behalf of the entity. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

STOP PAYMENTS - The rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee. You may stop payment on any item drawn on your account whether you sign the item or not. Your stop-payment order is effective for six months if it is given to us in writing or by another type of record (Generally, a "record" is information that is stored in such a way that it can be retrieved and can be heard or read and understood – you can ask us what type of stop-payment records you can give us). Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. If the original stop-payment order was oral your stop-payment order will lapse after 14 calendar days if it is not confirmed in writing or by another type of record within that time period. We are not obligated to notify you when a stop-payment order expires. ACH stop payment requests do not have an expiration date. Please contact us if you would like to request to expire your ACH stop payment request.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

TELEPHONE TRANSFERS - A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. A fee may apply for completing telephone transfers. Please refer to our current Service Charges for details.

AMENDMENTS AND TERMINATION - We may change our bylaws and any term of this agreement without prior notice to you if the change is favorable to you. We may make changes that are adverse to you only if we provide you with any notice required by law or required in this Agreement, if any. Rules governing changes in rates are provided separately in the Truth-in-Savings disclosure or in another document. For other changes we will give you reasonable notice in writing or by any other method permitted by law. You agree that we may provide notice of amendments electronically if you have agreed to receive other communications and information from us electronically. We may close this account if your membership in the credit union terminates, or by giving reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. You may be denied services or expelled as a member for any reason allowed by applicable law, including causing a loss to the Credit Union. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items and charges to be paid from the account. There may be a fee for termination of account, processing an account number change, or replacing lost or stolen cards. Refer to our current Service Charges. We reserve the right to require the consent of all owners to terminate a multiple party account. We are not responsible for payment of any check withdrawal, or other item after your account is terminated, however, if we pay an item after termination, you agree to reimburse us. Reasonable notice depends on the circumstances, and in some cases such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. At our option, we may suspend your rights to member services if you violate the terms of this agreement. If your Regular Share Account balance drops below the \$5.00 minimum membership deposit requirement and is not replenished within forty-five (45) calendar days, as provided in the Credit Union's Bylaws, your account will be closed and your membership will be terminated. If we have notified you of a change in any term of your account and you do not agree with the changes, you may close your account. If you continue to have your account after the effective date of the change, you have agreed to the new term(s).

NOTICES - Notices to us should be sent to: Advia Credit Union, 6400 West Main St., Kalamazoo, MI 49009. You are responsible for notifying us of any address, e-mail address or name change. Any written notice you give us is effective when we actually receive it, and it must be given to us according to the specific delivery instructions provided elsewhere, if any. We must receive it in time to have a reasonable opportunity to act on it. If the notice is regarding a check or other item, you must give us sufficient information to be able to identify the check or item, including the precise check or item number, amount, date and payee. Documentation will be required to process a name change identifying the new legal name. Other documents including Secretary of State filings may not suffice to demonstrate an individual person's name change. All notices regarding the account will be posted in our office lobbies, sent to you at the address shown on your statement, or delivered on or with your statement or appended to your electronic statement (e-statement) if that service is available and you have chosen to receive e-statements. In the event of multiple authorized signers, notice by or to any one authorized signer shall be deemed notice by or to all. Written notice we give you is effective when it is deposited in the United States Mail with proper postage and addressed to your mailing address we have on file. If written notice is provided electronically, such notice is effective at the time an electronic message is sent informing you that the information is available.

STATEMENTS - Statements are a valuable tool to help prevent fraudulent or mistaken transfers. Your statement will show the transactions that occurred in connection with your account during the statement period.

Your duty to report unauthorized signatures, alterations and forgeries - Your statement will provide sufficient information for you to reasonably identify the items paid (item number, amount, and date of payment). You should keep a record of each transaction as it is made so that when we give you the information in the statement, you will have a complete understanding of each transaction listed.

You have responsibilities in connection with your statement. You must examine your statement with "reasonable promptness." Also, if you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you must bear the loss entirely yourself or share the loss with us (we may have to share some of the loss if we failed to use ordinary care or if we substantially contributed to the loss). The loss you might bear, in whole or part, could be not only with respect to items listed on the statement, but also other items with unauthorized signatures or alterations by the same wrongdoer. Of course, an attempt can be made to recover the loss from the thief, but this is often unsuccessful.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but you will not, in any circumstance, have a total of more than 30 days from when we first send or make the statement available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether you exercised ordinary care. The limitation in this paragraph is in addition to those contained in the second paragraph of this section.

Contact us if you do not receive your regular statement. If this is a business account, you agree that you will have at least two people review your statements, notices, and returned checks, or in the alternative, the person who reviews these will be someone who does not have authority to transact business on the account.

Your duty to report other errors or problems - In addition to the Commercial Code and other state law, you agree there is a common law duty to promptly review your statement for errors in addition to unauthorized signatures, alterations or forgeries. Promptly reviewing your statement is valuable to both you and us because it can help identify, correct and prevent future mistakes.

In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error or problem - such as an encoding error or an unexpected deposit amount. Also, if you receive or we make available either your items or images of your items, you must examine them for any unauthorized or missing endorsements or any other problems. You agree that the time you have to examine your statement and items and report to us will depend on the circumstances. However, this time period shall not exceed 60 days. Failure to examine your statement and items and report any errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any errors on items identified in that statement and as between you and us the loss will be entirely yours. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the 60 day time period to report other errors.

Errors relating to electronic fund transfers or substitute checks - For information on errors relating to electronic fund transfers (e.g., online, mobile, debit card or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a substitute check you received, refer to your disclosure entitled Substitute Checks and Your Rights.

Duty to notify if statement not received - You agree to immediately notify us if you do not receive your statement by the date you normally expect to receive it. Not receiving your statement in a timely manner is a sign that there may be an issue with your account, such as possible fraud or identity theft.

ACCOUNT TRANSFER - This account may not be transferred or assigned without our prior written consent.

DIRECT DEPOSITS - If we are required for any reason to reimburse the federal government for all or any portion of a benefit payment that was directly deposited into your account, you authorize us to deduct the amount of our liability to the federal government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

RIGHT TO REPAYMENT OF INDEBTEDNESS - You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt any of you owe us now or in the future even after your death, unless prohibited by law. Our right to impress and enforce a lien survives your death and is superior to the interest of a surviving business owner. We may apply these funds in any order to pay off your indebtedness. By not enforcing a lien, we do not waive our right to enforce it later. If this account is owned by one or more of you as individuals, we may set off any funds in the account against a due and payable debt a partnership owes us now or in the future, to the extent of your liability as a partner for the partnership debt. If your debt arises from a promissory note, then the amount of the due and payable debt will be the full amount we have demanded, as entitled under the terms of the note, and this amount may include any portion of the balance for which we have properly accelerated the due date.

In addition to these contract rights, we may also have rights under a "statutory lien." A "lien" on property is a creditor's right to obtain ownership of the property in the event a debtor defaults on a debt. A "statutory lien" is one created by federal or state statute. If federal or state law provides us with a statutory lien, then we are authorized to apply, without prior notice, your shares and dividends to any debt you owe us, in accord with the statutory lien.

Neither our contract rights nor rights under a statutory lien apply to this account if prohibited by law. For example, neither our contract rights nor rights under a statutory lien apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal arises only in a representative capacity. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment.

RESTRICTIVE LEGENDS OR ENDORSEMENTS - The automated processing of the large volume of checks we receive prevents us from inspecting or looking for restrictive legends, restrictive endorsements or other special instructions on every check. For this reason, we are not required to honor any restrictive legend or endorsement or other special instruction placed on checks you write unless we have agreed in writing to the restriction or instruction. Unless we have agreed in writing, we are not responsible for any losses, claims, damages, or expenses that result from your placement of these restrictions or instructions on your checks. Examples of restrictive legends placed on checks are "must be presented within 90 days" or "not valid for more than \$1,000.00." The payee's signature accompanied by the words "for deposit only" is an example of a restrictive endorsement.

FACSIMILE SIGNATURES - You authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose.

PLEDGES - Each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective. For example, if an account has two owners and one of the owners pledges the account (i.e., uses it to secure a debt) and then dies, (1) the surviving owner's rights in this account do not take effect until the debt has been satisfied, and (2) the debt may be satisfied with the funds in this account.

CHECK PROCESSING - We process items electronically by relying solely on the information encoded in magnetic ink along the bottom of the items. This means that we do not individually examine all of your items to determine if the item is properly completed, signed and endorsed or to determine if it contains any information other than what is encoded in magnetic ink. You agree that we have exercised ordinary care if our automated processing is consistent with general banking practice, even though we do not inspect each item. Because we do not inspect each item, if you write a check to multiple payees, we can properly pay the check regardless of the number of endorsements unless you notify us in writing that the check requires multiple endorsements. We must receive the notice in time for us to have a reasonable opportunity to act on it, and you must tell us the precise date of the check, amount, check number and payee. We are not responsible for any unauthorized signature or alteration that would not be identified by a reasonable inspection of the item. Using an automated process helps us keep costs down for you and all account holders.

CHECK CASHING - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. This fee, which is reflected in our current Service Charges, helps us cover the additional costs and risks involved in cashing a check for a non-member. You understand and agree that a non-member seeking to cash a check drawn on your account retains the ability to deposit the check with their own financial institution which would result in your check being presented to us through normal check processing channels. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical. You also agree that we may refuse to cash a check, even if it is properly payable and proper identification is provided, and such refusal shall not constitute wrongful dishonor of your check.

ENDORSEMENTS - We may accept for deposit any item payable to you or your order, even if they are not endorsed by you. We may give cash back to any one of you. We may supply any missing endorsement(s) for any item we accept for deposit or collection, and you warrant that all endorsements are genuine.

To ensure that your check or share draft is processed without delay, you must endorse it (sign it on the back) in a specific area. Your entire endorsement (whether a signature or a stamp) along with any other endorsement information (e.g. additional endorsements, ID information, driver's license number, etc.) must fall within 1 1/2" of the "trailing edge" of a check. Endorsements must be made in blue or black ink, so that they are readable by automated check processing equipment.

As you look at the front of a check, the "trailing edge" is the left edge. When you flip the check over, be sure to keep all endorsement information within 1 1/2" of that edge.

It is important that you confine the endorsement information to this area since the remaining blank space will be used by others in the processing of the check to place additional needed endorsements and information. You agree that you will indemnify, defend, and hold us harmless for any loss, liability, damage or expense that occurs because your endorsement, another endorsement or information you have printed on the back of the check obscures our endorsement.

These endorsement guidelines apply to both personal and business checks.

DEATH OR INCOMPETENCE - You agree to notify us promptly if any person with a right to withdraw funds from your account(s) dies or is adjudicated (determined by the appropriate official) incompetent. We may continue to honor your checks, items, and instructions until: (a) we know of your death or adjudication of incompetence, and (b) we have had a reasonable opportunity to act on that knowledge. You agree that we may pay or certify checks drawn on or before the date of death or adjudication of incompetence for up to ten (10) days after your death or adjudication of incompetence unless ordered to stop payment by someone claiming an interest in the account.

FIDUCIARY ACCOUNTS - Accounts may be opened by a person acting in a fiduciary capacity. A fiduciary is someone who is appointed to act on behalf of and for the benefit of another. We are not responsible for the actions of a fiduciary, including the misuse of funds. This account may be opened and maintained by a person or persons named as a trustee under a written trust agreement, or as executors, administrators, or conservators under court orders. You understand that by merely opening such an account, we are not acting in the capacity of a trustee in connection with the trust nor do we undertake any obligation to monitor or enforce the terms of the trust or letters.

CREDIT VERIFICATION - You agree that we may verify credit and employment history by any necessary means, including preparation of a credit report by a credit reporting agency.

You agree that we will pull a credit report to open an account or if you request a loan or loan increase. You understand and agree we have the ability at any time to check your credit report, to verify your employment, and/or use any public records available to us in relation to any update, increase, decrease, renewal, extension, or collection on your account(s) or loan(s). You authorize us to use any credit reports obtained to market or offer additional products and services to you and you specifically intend for your authorization to apply to current and future credit inquiries. You understand and agree that your authorization will remain in effect until you provide written notice of your revocation to us. We may report information about your accounts and loans to credit bureaus. Late payments, missed payments, or other defaults on your accounts and loans may be reflected in your credit report. If you believe that information we may report or have reported to a credit bureau is inaccurate or incomplete, please notify us in writing at: Advia Credit Union, ATTN: Member Services, 6400 West Main St., Kalamazoo, MI 49009. Include your name, address, contact telephone number and account number and identify the information you believe is incorrect.

LEGAL ACTIONS AFFECTING YOUR ACCOUNT - If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to your account (termed "legal action" in this section), we will comply with that legal action. Or, in our discretion, we may freeze the assets in the account and

not allow any payments out of the account until a final court determination regarding the legal action. We may do these things even if the legal action involves less than all of you. In these cases, we will not have any liability to you if there are insufficient funds to pay your items because we have withdrawn funds from your account or in any way restricted access to your funds in accordance with the legal action. Any fees or expenses we incur in responding to any legal action (including, without limitation, attorneys' fees and our internal expenses) may be charged against your account. The list of fees applicable to your account(s) provided elsewhere may specify additional fees that we may charge for certain legal actions.

ACCOUNT SECURITY -

Duty to protect account information and methods of access - It is your responsibility to protect the account numbers and electronic access devices (e.g., an ATM card) we provide you for your account(s). Do not discuss, compare, or share information about your account number(s) with anyone unless you are willing to give them full use of your money. An account number can be used by thieves to issue an electronic debit or to encode your number on a false demand draft which looks like and functions like an authorized check. If you furnish your access device and grant actual authority to make transfers to another person (a family member or coworker, for example) who then exceeds that authority, you are liable for the transfers unless we have been notified that transfers by that person are no longer authorized.

Your account number can also be used to electronically remove money from your account, and payment can be made from your account even though you did not contact us directly and order the payment.

You must also take precaution in safeguarding your blank checks. Notify us at once if you believe your checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself or share the loss with us (we may have to share some of the loss if we failed to use ordinary care and if we substantially contributed to the loss).

TELEPHONIC INSTRUCTIONS - Unless required by law or we have agreed otherwise in writing, we are not required to act upon instructions you give us via facsimile transmission or leave by voice mail or on a telephone answering machine.

MONITORING AND RECORDING TELEPHONE CALLS AND CONSENT TO RECEIVE COMMUNICATIONS - Subject to federal and state law, we may monitor or record phone calls for security reasons, to maintain a record and to ensure that you receive courteous and efficient service. You consent in advance to any such recording.

To provide you with the best possible service in our ongoing business relationship for your account we may need to contact you about your account from time to time by telephone, text messaging or email. However, we first obtain your consent to contact you about your account in compliance with applicable consumer protection provisions in the federal Telephone Consumer Protection Act of 1991 (TCPA), CAN-SPAM Act and their related federal regulations and orders issued by the Federal Communications Commission (FCC).

- Your consent is limited to your account, and as authorized by applicable law and regulations.
- Your consent is voluntary and not conditioned on the purchase of any product or service from us.

With the above understandings, you authorize us to contact you regarding your account throughout its existence using any telephone numbers or email addresses that you have previously provided to us by virtue of an existing business relationship or that you may subsequently provide to us. Specifically, you consent to receive calls or text messages: (i) to notify you in regards to any of your accounts; (ii) to provide you with credit or debit card transaction alerts; (iii) to collect a debt or other obligation; or (iv) as otherwise necessary to service your account, loans, or products.

This consent is regardless of whether the number we use to contact you is assigned to a landline, a paging service, a cellular wireless service, a specialized mobile radio service, other radio common carrier service or any other service for which you may be charged for the call. You further authorize us to contact you through the use of voice, voice mail and text messaging, including the use of pre-recorded or artificial voice messages and an automated dialing device.

If necessary, you may change or remove any of the telephone numbers or email addresses at any time using any reasonable means to notify us.

CLAIM OF LOSS - The following rules do not apply to a transaction or claim related to a consumer electronic fund transfer governed by Regulation E (e.g., an everyday consumer debit card or ATM transaction). The error resolution procedures for consumer electronic fund transfers can be found in our initial Regulation E disclosure titled, "Electronic Fund Transfers." For other transactions or claims, if you claim a credit or refund because of a forgery, alteration, or any other unauthorized withdrawal, you agree to cooperate with us in the investigation of the loss, including giving us an affidavit containing whatever reasonable information we require concerning your account, the transaction, and the circumstances surrounding the loss. Except for unauthorized electronic fund transfers, you will notify law enforcement authorities of any criminal act related to the claim of lost, missing, or stolen checks or unauthorized withdrawals. We will have a reasonable period of time to investigate the facts and circumstances surrounding any claim of loss. Unless we have acted in bad faith, we will not be liable for special or consequential damages, including loss of profits or opportunity, or for attorneys' fees incurred by you.

You agree that you will not waive any rights you have to recover your loss against anyone who is obligated to repay, insure, or otherwise reimburse you for your loss. You will pursue your rights or, at our option, assign them to us so that we may pursue them. Our liability will be reduced by the amount you recover or are entitled to recover from these other sources.

EARLY WITHDRAWAL PENALTIES (and involuntary withdrawals) - We may impose early withdrawal penalties on a withdrawal from a term share account even if you don't initiate the withdrawal. For instance, the early withdrawal penalty may be imposed if the withdrawal is caused by the enforcement of our right to repayment of indebtedness against funds in the account or as a result of an attachment or other legal process. We may close your account and impose the early withdrawal penalty on the entire account balance in the event of a partial early withdrawal. See your notice of penalty for early withdrawals for additional information.

ADDRESS OR NAME CHANGES - You are responsible for notifying us of any change in your address or your name. Unless we agree otherwise, change of address or name must be made in writing by at least one of the account holders. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent address you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

RESOLVING ACCOUNT DISPUTES - We may place an administrative hold on the funds in your account (refuse payment or withdrawal of the funds) if it becomes subject to a claim adverse to (1) your own interest; (2) others claiming an interest as survivors or beneficiaries of your account; or (3) a claim arising by operation of law. The hold may be placed for such period of time as we believe reasonably necessary to allow a legal proceeding to determine the merits of the claim or until we receive evidence satisfactory to us that the dispute has been resolved. We will not be liable for any items that are dishonored as a consequence of placing a hold on funds in your account for these reasons. We may terminate your account at any time or we may require you to close your account and apply for a new account if: (a) there is a change in owners or authorized signers; (b) there has been a forgery or fraud reported or committed involving your account; (c) there is a dispute as to the ownership of the account or the funds in the account; (d) any checks, or cards are lost, stolen, or the account number has been compromised; (e) there are excessive returned unpaid items not covered by an overdraft protection plan; (f) there has been any misrepresentation or any other abuse of any kind on your accounts; or (g) we reasonably deem it necessary to prevent a loss to us.

WAIVER OF NOTICES - To the extent permitted by law, you waive any notice of non-payment, dishonor or protest regarding any items credited to or charged against your account. For example, if you deposit an item and it is returned unpaid or we receive a notice of non-payment, we do not have to notify you unless required by federal Regulation CC or other law.

ACH AND WIRE TRANSFERS - This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. Credit entries may be made by ACH. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

POWER OF ATTORNEY - You may wish to appoint an agent to conduct transactions on your behalf. (We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the agent are for your benefit.) This may be done by allowing your agent to sign in that capacity on the signature card or by separate form, such as a power of attorney. A power of attorney continues until your death or the death of the person given the power. If the power of attorney is not "durable," it is revoked when you become incompetent. We may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of the authority or the death of an owner, and (b) we have had a reasonable opportunity to act on that notice or knowledge. You agree not to hold us responsible for any loss or damage you may incur as a result of our following instructions given by an agent acting under a valid power of attorney.

STALE-DATED CHECKS - We are not obligated to, but may at our option, pay a check, other than a certified check, presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment order on the check in the manner we have described elsewhere.

NCUA INSURANCE - Funds in your account(s) with us are insured by the National Credit Union Administration (NCUA) and backed by the full faith and credit of the United States. The amount of insurance coverage you have depends on the number of accounts you have with us that are of different "ownership." An individual account is one unique form of "ownership"; a joint account, a pay-on-death account, and a self directed qualified retirement account (e.g., an IRA) are examples of some of the others. Share insurance for a person's self directed qualified retirement account is up to \$250,000. (An IRA is a self directed qualified retirement account as is any account where the owner decides where and how to invest the balance.) Funds are insured to \$250,000 per depositor for the total of funds combined in all of your other insured accounts with us. If you want a more detailed explanation or additional information, you may ask us or contact the NCUA. You can also visit the NCUA website at www.ncua.gov and click on the Share Insurance link. The link includes detailed contact information as well as a share insurance estimator.

UNCLAIMED PROPERTY - The law establishes procedures under which unclaimed property must be surrendered to the state. (We may have our own rules regarding dormant accounts, and if we charge a fee for dormant accounts it will be disclosed to you elsewhere.) Generally, the funds in your account are considered unclaimed if you have not had any

activity or communication with us regarding your account over a period of years. Ask us if you want further information about the period of time or type of activity that will prevent your account from being unclaimed. If your funds are surrendered to the state, you may be able to reclaim them, but your claim must be presented to the state. Once your funds are surrendered, we no longer have any liability or responsibility with respect to the funds.

UTMA ACCOUNTS - Under the Uniform Transfers to Minors Act, the funds in the account are owned by the child who has unconditional use of the account when he or she reaches majority age, which varies by state, unless otherwise agreed. Before that time, the account may be accessed only by the custodian (or successor custodian), and the funds must be used for the benefit of the child. We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the custodian (or successor custodian) are for the child's benefit. We are not responsible to monitor age or eligibility for an UTMA account, even though our records may include the minor's date of birth. It is the custodian's responsibility to properly distribute the funds in the account upon the minor's death or attainment of the age of majority. For this type of account, the child's SSN/TIN is used for the Backup Withholding Certification.

CASH TRANSACTION REPORTING - To help law enforcement agencies detect illegal activities, the law requires all financial institutions to gather and report information on some types of cash transactions. If the information we need to complete the report is not provided, we are required to refuse to handle the transaction. If you have any questions regarding these rules, the U.S. Treasury Financial Crimes Enforcement Network (FinCEN) maintains a frequently asked questions (FAQ) document online. The FAQ also includes additional information for contacting FinCEN.

BACKUP WITHHOLDING/TIN CERTIFICATION- Federal tax law requires us to report interest payments we make to you of \$10.00 or more in a year, and to include your taxpayer identification number (TIN) on the report. Interest includes dividends, interest and bonus payments for purposes of this rule. Therefore, we require you to provide us with your TIN and to certify that it is correct. The TIN is either a social security number (SSN) or an employer identification number (EIN). For most organization or business accounts other than sole proprietorships, the appropriate TIN is the EIN of the organization or business entity. For sole proprietorships, either the SSN or the EIN is appropriate. However, we must supply the IRS with both the individual owner's name and the business name of the sole proprietorship. The appropriate TINs for various other types of accounts are:

Account type - TIN

Individual - SSN of the individual.

Joint Account - SSN of the owner named first on the account.

Uniform Gift/Transfer to Minor - SSN of the minor.

Informal (Revocable) Trust - SSN of the owner.

In some circumstances, federal law requires us to withhold and pay to the IRS a percentage of the interest that is earned on funds in your accounts. This is known as backup withholding. We will not have to withhold interest payments when you open your account if you certify your TIN and certify that you are not subject to backup withholding due to underreporting of interest. We may subsequently be required to begin backup withholding if the IRS informs us that you supplied an incorrect TIN or that you underreported your interest income. If you do not have a TIN, we may defer backup withholding if you certify that you do not have a TIN but have applied for one. However, we must begin backup withholding if you do not supply us with a certified TIN within 60 days. If you do not have a TIN because you are a foreign person (either an individual who is a nonresident alien or a foreign organization) you must certify your foreign status. If you are an exempt payee (receiver of interest payments), you do not need to certify your TIN, but you will have to certify your exempt status and supply us with your TIN. The most common exempt payees are corporations, organizations exempt from tax under Section 501(a), and an individual retirement plan or a custodial account under Section 403(b)(7). If you do not supply us with the appropriate TIN, we may refuse to open your account.

LOST, DESTROYED, OR STOLEN CERTIFIED, CASHIER'S OR TELLER'S CHECKS - Under some circumstances you may be able to assert a claim for the amount of a lost, destroyed, or stolen certified, cashier's or teller's check. To assert the claim: (a) you must be the remitter (or drawer of a certified check) or payee of the check, (b) we must receive notice from you describing the check with reasonable certainty and asking for payment of the amount of the check, (c) we must receive the notice in time for us to have a reasonable opportunity to act on it, and (d) you must give us a declaration (in a form we require) of your loss with respect to the check. You can ask us for a declaration form. Even if all of these conditions are met, your claim may not be immediately enforceable. We may pay the check until the ninetieth day after the date of the check (or date of acceptance of a certified check). Therefore, your claim is not enforceable until the ninetieth day after the date of the check or date of acceptance, and the conditions listed above have been met. If we have not already paid the check, on the day your claim is enforceable we become obligated to pay you the amount of the check. We will pay you in cash or issue another certified check.

At our option, we may pay you the amount of the check before your claim becomes enforceable. However, we will require you to agree to indemnify us for any losses we might suffer. This means that if the check is presented after we pay your claim, and we pay the check, you are responsible to cover our losses. We may require you to provide a surety bond to assure that you can pay us if we suffer a loss.

CHANGING ACCOUNT PRODUCTS - We may change your account to another product offered by us at any time by giving you notice that your account will be changed to another product on a specified date. If your account is a term share account, the change will not occur before the next maturity date of your account. If you do not close your account before the date specified in the notice, we may change your account to that other product on the date specified in the notice.

TRANSACTIONS BY MAIL - You may deposit checks or drafts by mail. You should endorse the item being sent through the mail with the words "For Deposit Only" and should include your correct account number underneath to ensure the item is credited to the correct account. You should use the pre-encoded deposit slips found in your checkbook. If you do not use your deposit slip or provide us with instructions indicating how or where the item should be credited, we may apply it to any account or any loan balance you have with us or we may return the item to you. Receipts for such transactions will be mailed to you only if a self-addressed stamped envelope is provided. Following your deposit, examine your statement carefully or call us to ensure that we received the item. Do not send cash through the mail for deposit.

CHECK STORAGE AND COPIES - You agree that you will not receive your canceled checks. We will store your canceled checks or copies of them for a reasonable retention period. You may request copies from us in the manner we require.

TRUNCATION, SUBSTITUTE CHECKS, AND OTHER CHECK IMAGES - If you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our internal policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

REMOTELY CREATED CHECKS - Like any standard check or draft, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable authorization to create the check in the amount and to the payee that appears on the check; (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask; and (3) if a check is returned you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

UNLAWFUL INTERNET GAMBLING NOTICE - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

ILLEGAL ACTIVITIES, MARIJUANA BUSINESS - You agree that you will not use any of your accounts, access devices, or services for illegal activities. You represent that you are not engaged in a marijuana business. You agree that you will not use any of your accounts, access devices, or services for a marijuana business. We may decline to accept, process, or pay any transaction that we believe to be illegal or unenforceable (regarding your obligation to pay us or otherwise) under applicable law, or which is otherwise limited or prohibited. We may terminate your account relationship if you engage in any illegal activities or marijuana business. You further agree to indemnify and hold us harmless from any suits, liability, damages, or adverse action of any kind that results directly or indirectly from your illegal use of your account, access devices, or services.

MEMBERSHIP ELIGIBILITY - The legal entity has a location or conducts business operations and activities consistently and systematically within any of the below listed geographic areas, or a majority of the number of natural person owners, shareholders, partners, or members of the business are eligible for membership as individuals. Any county in the Lower Peninsula of the State of Michigan; Winnebago, McHenry, DuPage, Kane, Lake or Boone Counties or the portion of Cook County north of Irving Park Road in Illinois; Dane, Green, Jefferson, Kenosha, Milwaukee, Racine, Rock, Walworth, or Waukesha Counties in Wisconsin. Our field of membership may change in the future; however, such change will not impact your existing membership. To obtain our current field of membership, please contact us.

HEALTH SAVINGS ACCOUNTS (HSA) - For your convenience, we permit you to take distributions from your HSA by check, debit card and digital banking withdrawal. This feature can raise a variety of tax concerns – for example getting additional cash back on an HSA checking transaction. As a result, if you have more than one account with us, it is a good practice to make sure you are using the appropriate checkbook for the transaction. Also, it is your responsibility to ensure your distributions and other actions related to the HSA comply with the law, including federal tax law. As always, we recommend consulting a legal or tax professional if you have any questions about managing your HSA. The terms of

this agreement are intended to work in conjunction with the HSA Agreement provided to you earlier. In the event of a conflict, the terms of the HSA Agreement control. You understand that your HSA is intended to be used for payment of qualified medical expenses. It is your responsibility to satisfy any tax liability resulting from use of your HSA for any purpose other than payment or reimbursement of qualified medical expenses. We do not monitor the purpose of any transaction to or from your HSA. Nor are we responsible for ensuring your eligibility for making contributions or ensuring withdrawals are used for payment or reimbursement of qualified medical expenses. Refer to your HSA Agreement for more information relating to the use of your HSA.

INTERNATIONAL ACH TRANSACTIONS - Financial institutions are required by law to scrutinize or verify any international ACH transaction (IAT) that they receive against the Specially Designated Nationals (SDN) list of the Office of Foreign Assets Control (OFAC). This action may, from time to time, cause us to temporarily suspend processing of an IAT and potentially affect the settlement and/or availability of such payments.

FUNDS TRANSFERS - The terms used in this section have the meaning given to them in Article 4A of the Uniform Commercial Code - Funds Transfers (UCC 4A). This section will generally not apply to you if you are a consumer. However, even if you are a consumer, this section will apply to that part of any funds transfer that is conducted by Fedwire. This section is subject to UCC 4A as adopted in the state in which you have your deposit with us. This agreement is also subject to all clearing house association rules, rules of the Board of Governors of the Federal Reserve System and their operating circulars. If any part of this agreement is determined to be unenforceable, the rest of the agreement remains effective. This agreement controls funds transfers unless supplemented or amended in a separate written agreement signed by us. This agreement does not apply to a funds transfer if any part of the transfer is governed by the Electronic Fund Transfer Act of 1978 (EFTA), except this agreement does apply to a funds transfer that is a remittance transfer as defined in EFTA unless the remittance transfer is an electronic fund transfer as defined in EFTA.

Funds transfer - A funds transfer is the transaction or series of transactions that begin with the originator's payment order, made for the purpose of making payment to the beneficiary of the order. A funds transfer is completed by the acceptance by the beneficiary's bank of a payment order for the benefit of the beneficiary of the originator's order. You may give us a payment order orally, electronically, or in writing, but your order cannot state any condition to payment to the beneficiary other than the time of payment. Credit entries may be made by ACH.

Authorized account - An authorized account is a deposit or share account you have with us that you have designated as a source of payment of payment orders you issue to us. If you have not designated an authorized account, any account you have with us is an authorized account to the extent that payment of the payment order is not inconsistent with the use of the account.

Acceptance of your payment order - We are not obligated to accept any payment order that you give us, although we normally will accept your payment order if you have a withdrawable credit in an authorized account sufficient to cover the order. If we do not execute your payment order, but give you notice of our rejection of your payment order after the execution date or give you no notice, we are not liable to pay you as restitution any interest on a withdrawable credit in a non-dividend-bearing account.

Cutoff time - If we do not receive your payment order or communication canceling or amending a payment order before our cutoff time on a funds transfer day for that type of order or communication, the order or communication will be deemed to be received at the opening of our next funds transfer business day.

Payment of your order - If we accept a payment order you give us, we may receive payment by automatically deducting from any authorized account the amount of the payment order plus the amount of any expenses and charges for our services in execution of your payment order. We are entitled to payment on the payment or execution date. Unless your payment order specifies otherwise, the payment or execution date is the funds transfer date we receive the payment order. The funds transfer is completed upon acceptance by the beneficiary's bank. Your obligation to pay your payment order is excused if the funds transfer is not completed, but you are still responsible to pay us any expenses and charges for our services. However, if you told us to route the funds transfer through an intermediate bank, and we are unable to obtain a refund because the intermediate bank that you designated has suspended payments, then you are still obligated to pay us for the payment order. You will not be entitled to dividends on any refund you receive because the beneficiary's bank does not accept the payment order.

Security procedure - As described more fully in a separate writing, the authenticity of a payment order or communication canceling or amending a payment order issued in your name as sender may be verified by a security procedure. You affirm that you have no circumstances which are relevant to the determination of a commercially reasonable security procedure unless those circumstances are expressly contained in a separate writing signed by us. You may choose from one or more security procedures that we have developed, or you may develop your own security procedure if it is acceptable to us. If you refuse a commercially reasonable security procedure that we have offered you, you agree that you will be bound by any payment order issued in your name, whether or not authorized, that we accept in good faith and in compliance with the security procedure you have chosen.

Duty to report unauthorized or erroneous payment - You must exercise ordinary care to determine that all payment orders or amendments to payment orders that we accept that are issued in your name are authorized, enforceable, in the correct amount, to the correct beneficiary, and not otherwise erroneous. If you discover (or with reasonable care should have discovered) an unauthorized, unenforceable, or erroneously executed payment order or amendment, you must exercise ordinary care to notify us of the relevant facts. The time you have to notify us will depend on the circumstances, but that time will not in any circumstance exceed 14 days from when you are notified of our acceptance or execution of the payment order or amendment or that your account was debited with respect to the order or amendment. If you do not provide us with timely notice you will not be entitled to dividends on any refundable amount. If we can prove that you failed to perform either of these duties with respect to an erroneous payment and that we incurred a loss as a result of the failure, you are liable to us for the amount of the loss not exceeding the amount of your order.

Identifying number - If your payment order identifies an intermediate bank, beneficiary bank, or beneficiary by name and number, we and every receiving or beneficiary bank may rely upon the identifying number rather than the name to make payment, even if the number identifies an intermediate bank or person different than the bank or beneficiary identified by name. Neither we nor any receiving or beneficiary bank have any responsibility to determine whether the name and identifying number refer to the same financial institution or person.

Record of oral or telephone orders - You agree that we may, if we choose, record any oral or telephone payment order or communication of amendment or cancellation.

Notice of credit - If we receive a payment order to credit an account you have with us, we are not required to provide you with any notice of the payment order or the credit.

Provisional credit - You agree to be bound by the automated clearing house association operating rules that provide that payments made to you or originated by you by funds transfer through the automated clearing house system are provisional until final settlement is made through a Federal Reserve Bank or otherwise payment is made as provided in Article 4A-403(a) of the Uniform Commercial Code.

Refund of credit - You agree that if we do not receive payment of an amount credited to your account, we are entitled to a refund from you in the amount credited and the party originating such payment will not be considered to have paid the amount so credited.

Amendment of funds transfer agreement - From time to time we may amend any term of this agreement by giving you reasonable notice in writing. We may give notice to anyone who is authorized to send payment orders to us in your name, or to anyone who is authorized to accept service.

Cancellation or amendment of payment order - You may cancel or amend a payment order you give us only if we receive the communication of cancellation or amendment before our cutoff time and in time to have a reasonable opportunity to act on it before we accept the payment order. The communication of cancellation or amendment must be presented in conformity with the same security procedure that has been agreed to for payment orders.

Intermediaries - We are not liable for the actions of any intermediary, regardless of whether or not we selected the intermediary. We are not responsible for acts of God, outside agencies, or nonsalaried agents.

Limit on liability - You waive any claim you may have against us for consequential or special damages, including loss of profit arising out of a payment order or funds transfer, unless this waiver is prohibited by law. We are not responsible for attorney fees you might incur due to erroneous execution of payment order.

Erroneous execution - If we receive an order to pay you, and we erroneously pay you more than the amount of the payment order, we are entitled to recover from you the amount in excess of the amount of the payment order, regardless of whether you may have some claim to the excess amount against the originator of the order.

Objection to payment - If we give you a notice that reasonably identifies a payment order issued in your name as sender that we have accepted and received payment for, you cannot claim that we are not entitled to retain the payment unless you notify us of your objection to the payment within one year of our notice to you.

WAIVER - We may waive any of these provisions at our sole discretion, but any such waiver will apply only on that occasion. If we chose to waive any provision, we will not be bound to waive the same provision or any other provision on another occasion.

LEGAL PROCESS - If any legal action or dispute is brought against or involving your account, we may pay out funds according to the terms of the action or refuse any pay out until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our statutory lien and security interest.

INDEMNITY - If by following your instructions we are exposed to a claim or suit by an adverse claimant, you shall hold us harmless and indemnify us from any such losses, expenses, liabilities or damages including actual attorney fees. If you ask us to follow instructions that we believe might expose us to claims, suits, losses, expenses, liabilities or damages, whether directly or indirectly, we may refuse to follow your instructions, or we may require a bond or other protections.

SEVERABILITY - Except as provided in the Class Action Waiver, if any of the Agreement is found by any other court or regulatory body of competent jurisdiction to be invalid or unenforceable in whole or in part for any reason whatsoever, the authority of the remaining provisions or portions hereof shall not be affected thereby.

OVERDRAFT COURTESY PAY PLAN - Courtesy Pay is a discretionary service that allows us to pay charges against our member's Checking Account even if it exceeds the available balance and causes the account to become overdrawn. Courtesy Pay may provide certain account holders in "good standing" with the ability to overdraw their personal Checking Account. We are not obligated to pay any item presented for payment if the available balance in your account is insufficient to pay any item presented. If the account has

been maintained in good standing, defined as: (a) making regular deposits sufficient to cover transactions; (b) bringing the account to a positive balance at least once every thirty days or less, and; (c) there are no legal orders outstanding on your account, we may, at our sole discretion, pay overdrafts, including our normal Courtesy Pay charge(s). Whether we pay or return an item, an item presented against an insufficient available balance in your account will be assessed a fee (a Courtesy Pay fee if paid or a Returned Item fee if returned). This non-contractual courtesy of paying overdrafts requires no account holder action. It is not a loan. No additional agreements need to be signed, and it costs nothing unless the privilege is used – by initiating checks, electronic fund transfers, or other payment or withdrawal requests that exceed the available balance in the account. Certain transactions including ATM and one-time debit require additional opt-in pursuant to Federal law. If you maintain the account in good standing and have need for this "courtesy", we may, at our sole discretion, pay the item(s) up to the authorized limit, and we will charge the account our normal Courtesy Pay fee for each item that overdraws the account. We will notify you each time an overdraft occurs. If you receive a direct deposit of your monthly Social Security payment into your Checking Account and do not want Courtesy Pay eligibility, you must advise us to stop us from paying your overdrafts with these funds. Courtesy Pay should not be viewed as an encouragement to overdraft your account. In the event you would like to have this privilege removed from your account, you can do so by calling Member Services at 844-238-4228.

OVERDRAFT TRANSFER CLAUSE - The Credit Union is under no obligation to pay a check that exceeds the fully paid and collected share balance in this account; the Credit Union may, however, pay such check and transfer shares to this account in the amount of the resulting overdraft, plus a transfer fee, from any other regular share account from which any of the undersigned is then eligible to withdraw shares. The Credit Union may also, at its option, overdraw this account to pay a check and charge a fee as disclosed in the Credit Union's Service Charges.

ARBITRATION AND CLASS ACTION WAIVER

Please review this provision carefully: It affects your legal rights. Arbitration of a dispute will result in the loss of any right to participate in a class action lawsuit related to the claim arbitrated.

1. Arbitration Procedures.

A. Electing Arbitration. Except if you opt out as provided below, you or we may elect to arbitrate any claim or dispute between you and us arising from or related in any way to this Agreement or any account, product, loan or service you have or have had with us. This arbitration provision applies regardless of whether the claim or dispute is based in contract, tort, or otherwise. If arbitration is elected, any claim or dispute will be resolved by individual (not class-wide) binding arbitration instead of a lawsuit or other resolution in court. This arbitration provision does not apply to any individual action brought in small claims court (or your state court equivalent). Any arbitration hearing will be within 50 miles of your residence at the time the arbitration is commenced, unless otherwise mutually agreed.

B. Arbitration Costs. We will reimburse the amount of filing, case management, administration, and arbitrator fees you are required to pay. Notwithstanding the foregoing, we will not reimburse you for any fees if the arbitrators determine that your claim or dispute was frivolous or baseless. Each party will be responsible for its own fees, including attorneys' fees in any arbitration, except that the arbitrator is permitted to award attorneys' fees to the prevailing party under applicable law or agreement.

C. Arbitrators and Arbitration Rules. The party electing arbitration must choose between one of two organizations: the American Arbitration Association ("AAA"); or Judicial Arbitration and Mediation Services ("JAMS"). The rules and codes of procedure of the chosen organization in effect when arbitration is elected will apply. Arbitration will be conducted by a panel of three arbitrators. Each party will select an arbitrator within ten (10) days of the filing of the arbitration, with such selected arbitrators selecting the third arbitrator, who will serve as chair of the panel, within twenty (20) days of their appointment. The arbitrators are bound by the terms of this Agreement and each will be a retired judge or attorney with experience in financial institutions.

D. Effect of Arbitration Award. The arbitrators' decision and award will be final and binding on all parties, except for any right to appeal provided by the Federal Arbitration Act, and may be entered in any court, state or federal, having jurisdiction. Any relief available in a court of law can be awarded by the arbitrators.

2. Federal Arbitration Act. This Agreement is considered a transaction in interstate commerce. As such, the Federal Arbitration Act (Title 9 of the US Code) governs the interpretation and enforcement of this arbitration provision. Any issue concerning the validity or enforcement of this arbitration provision, or whether it applies to any specific claim or dispute will be determined by the arbitrators.

3. CLASS ACTION WAIVER. Unless prohibited by applicable law, arbitration will be solely brought in your individual capacity and be solely between you and us. Neither you nor we have the right to participate in a class action in court or arbitration, either as a class representative or class member. No arbitration between you and us may be joined or consolidated with any other arbitration. Under no circumstances shall there be any class action in arbitration. You and Advia Credit Union acknowledge the Class Action Waiver is material and essential to the arbitration of any claims or disputes and is non-severable from this arbitration provision. If the Class Action Waiver is limited, voided or found unenforceable, then this arbitration provision (exception for this sentence) shall be null and void with respect to such proceeding, subject to the right to appeal the limitation or invalidation of the Class Action Waiver.

4. General.

A. Severability; Survival. Except as provided in the Class Action Waiver above, if any term of this arbitration provision is found unenforceable for any reason, it shall be severed and the remaining terms shall be enforced without regard to the invalid or unenforceable provisions. This arbitration provision shall survive termination of the Agreement.

B. Available Relief. This arbitration provision does not preclude you from informing any federal, state or local agency or entity of your dispute. Such agency or entity may be able to seek relief on your behalf. Nothing in this arbitration provision limits your or our right, whether before, during or after the pendency of any arbitration proceeding, to exercise any self-help remedies, such as set-off, or repossession and sale of collateral, or to obtain injunctive relief or interpleader relief. The exercise of these rights will not constitute a waiver of the right to submit any dispute to arbitration.

C. Exclusion. To remove any doubt, this arbitration provision does not apply to: (i) any consumer credit transaction secured by a dwelling (including a home equity line of credit secured by your principal dwelling); or (ii) to any consumer credit obtained while you were a covered borrower as defined by the Military Lending Act.

5. RIGHT TO OPT OUT. YOU MAY OPT OUT OF THIS ARBITRATION AND THE CLASS ACTION WAIVER PROVISION BY SENDING A WRITTEN REQUEST TO US AT ADVIA CREDIT UNION, ATTN: BRANCH SUPPORT, 6400 WEST MAIN ST., KALAMAZOO MI 49009. YOUR WRITTEN NOTICE MUST INCLUDE YOUR NAME, ADDRESS, ACCOUNT NUMBER, AND INDICATE YOUR CHOICE TO OPT OUT OF THIS ARBITRATION AND CLASS ACTION WAIVER PROVISION. NOTICE MUST BE RECEIVED WITHIN SIXTY (60) DAYS AFTER THIS AGREEMENT WAS FIRST DELIVERED OR OTHERWISE MADE AVAILABLE TO YOU. IF YOU FAIL TO OPT OUT WITHIN THIS SIXTY (60) DAY PERIOD, YOU WILL BE DEEMED TO HAVE PROVIDED YOUR CONSENT TO THE RESOLUTION OF CLAIMS OR DISPUTES THROUGH BINDING ARBITRATION. OPTING OUT OF ARBITRATION WILL NOT TERMINATE OR EFFECT ANY OTHER RIGHTS YOU OR WE HAVE UNDER THIS AGREEMENT. IF YOU OPT OUT, YOU MUST OPT OUT OF ALL TERMS OF THIS ARBITRATION AND CLASS ACTION WAIVER PROVISION. YOU MAY NOT OPT OUT OF ONLY CERTAIN TERMS.

ELECTRONIC FUND TRANSFERS YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

Electronic Funds Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check or draft to an electronic fund transfer or to electronically pay a returned check or draft charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and credit union information. This information can be found on your check or draft as well as on a deposit or withdrawal slip. Thus, you should only provide your credit union and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits (such as payroll deposits from employer(s) and deposits of various government benefits) to be accepted into your checking or savings account(s).
- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking or savings account(s).
- **Electronic check or draft conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking or share draft account using information from your check or draft to pay for purchases or pay bills.
- **Electronic returned check or draft charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds.

24-Hour Telephone Banking Transfers - types of transfers - You may access your account by telephone 24 hours a day at 844.238.4228. Choose the option for "Phone Banking" using your personal identification number, a touch tone phone, and your account numbers, to:

- transfer funds from checking to checking or savings
- transfer funds from checking or savings to secondary savings
- transfer funds from savings to savings or checking
- transfer funds from line of credit to checking or savings
- make payments from checking or savings to loan accounts with us
- get information about:
 - the account balance of checking and savings accounts
 - deposits to checking and savings accounts
 - withdrawals from checking and savings accounts

Your Option to Limit Cash Withdrawals - In addition to dollar amount limitations for withdrawals using your ATM Card and Visa Debit Card that we may establish, you have the option to limit the amount of cash that can be withdrawn by your ATM Card and Visa Debit Card to \$50.00 per day or some other amount acceptable to us.

ATM Transfers - types of transfers and charges - You may access your account(s) by ATM using your ATM Card and personal identification number or Debit Card and personal identification number, to:

- make deposits to checking or savings account(s)
- get cash withdrawals from checking or savings account(s)
- transfer funds from savings to checking account(s)
- transfer funds from checking to savings account(s)
- transfer funds from line of credit to checking account(s)
- get information about:
 - the account balance of your checking or savings account(s)
 - there is a charge, as indicated on our Service Charges, per inquiry at ATMs we do not own or operate

Some of these services may not be available at all terminals.

All deposits made through an ATM are accepted conditionally, subject to verification of the contents of deposit envelopes, and are available for withdrawal only in accordance with our funds availability policy.

You can transfer from your line of credit IF it is set up as an access on your card. Some non-Advia ATMs may not allow transfers due to the machine set up.

Certain limits exist on the dollar amounts which may be withdrawn from different ATM or POS terminals each day. All transfers are charged to your account (and your overdraft line of credit, if any). We may charge your account even though an overdraft may be created. During any interruption of an electronic fund transfer service the dollar amount and frequency may be reduced. We may restrict, and you have the right to request that we program our system so that no more than \$50.00 can be withdrawn from your account(s) by use of your Debit Card/ATM Card during a single day. There may be other limitations on the types, frequency, timing and amount of electronic fund transfers established by us from time to time, without notice, for security purposes.

Types of Visa Debit Card Point-of-Sale Transactions - You may access your checking account(s) to purchase goods (in person, online, or by phone), pay for services (in person, online, or by phone), get cash from a merchant, if the merchant permits, or from a participating financial institution, and do anything that a participating merchant will accept.

Point-of-Sale Transactions - dollar limitations - Using your card:

- you may not exceed \$1,500.00 in transactions per day

Currency Conversion and International Transactions.

(a) For point-of-sale (merchant) transactions using Visa network and ATM transactions using Plus network. When you use your VISA®-branded Debit Card for this type of transaction and it settles in a currency other than US Dollars, the charge will be converted into the US Dollar amount. The currency conversion rate used to determine the transaction amount in US Dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

Visa USA charges us a 1% International Service Assessment on all international transactions regardless of whether there is a currency conversion. As a result, we will charge you a 1% international transaction fee on all international transactions. An international transaction is a transaction where the issuer of the card used is not located in the transaction country. This means an international transaction can occur even though the transaction is made when you are not in a foreign country. For example, a transaction made online with a foreign merchant is an international transaction even though made while you are physically in the United States.

(b) For ATM transactions using Visa network. When you use your VISA®-branded Debit Card for this type of transaction and it settles in a currency other than US Dollars, Mastercard/Cirrus will convert the charge into a US Dollar amount. The Mastercard/Cirrus currency conversion procedure is based on rates observed in the wholesale market or, where applicable, on government-mandated rates. The currency conversion rate Mastercard/Cirrus generally uses is the rate for the applicable currency that is in effect on the day the transaction occurred. However, in limited situations, particularly where Mastercard/Cirrus transaction processing is being delayed, Mastercard/Cirrus may instead use the rate for the applicable currency in effect on the day the transaction is processed.

Mastercard/Cirrus charges us a Currency Conversion Assessment of 20 basis points (.2% of the transaction) for performing the currency conversion. In addition, Mastercard/Cirrus charges us an Issuer Cross-Border Assessment of 90 basis points (.9% of the transaction) on all cross-border transactions regardless of whether there is a currency conversion. As a result, we will charge you a currency conversion fee of .2% of the transaction if there is a currency conversion and a cross-border transaction fee of .9% of the transaction. The cross-border transaction fee is charged on all cross-border transactions regardless of whether there is a currency conversion. A cross-border transaction is a transaction that occurs at a card acceptance location in a different country from the country in which the card was issued. This means a cross-border transaction can occur even though the transaction is made when you are not in a foreign country. For example, a transaction made online with a foreign merchant is a cross-border transaction even though made while you are physically in the United States.

Advisory Against Illegal Use. You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

Visa Account Updater Notice of Right to Opt Out. Your Visa Platinum Card will be automatically enrolled in the free Visa® Account Updater (VAU) service. With VAU, your account files will be updated when information changes because of a product upgrade, card expiration, loss or theft, account closure or other changes. A participating merchant can access that updated card information before requesting a payment. Since not all merchants participate, you should also contact the merchants directly if your card information changes. You are entitled to opt out of this service. You may opt out at any time.

If you want to opt out, phone us at 844.238.4228 or mail us notice of your intention to opt out at Advia Credit Union, Attn: Card Services, 6400 West Main St., Kalamazoo, MI 49009. You must include your name, address, account number, last four digits of your card number, and signature. If you opt out, you may opt back in if you decide you want the Visa Account Updater service in the future. You may opt in the same way(s) that you can opt out.

- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
- **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If, through no fault of ours, the available balance in your account is insufficient.
- (2) If you have an overdraft line and the transfer would go over the credit limit.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If you used your card, password, and/or PIN in an incorrect manner.
- (6) If the error was caused by a system of any participating ATM network.
- (7) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (8) There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) with your oral or written consent; or
- (4) to investigate possible unauthorized electronic fund transfers or to combat fraud; or
- (5) if the information relates to improper use of your account(s) or access devices; or
- (6) in order to comply with government agency or court orders; or
- (7) as explained in the separate Privacy Disclosure.

REGULATORY AUTHORITY

If you believe that any provision of the Michigan Electronic Funds Transfer Act has been violated you should notify State of Michigan - Department of Insurance and Financial Services at P.O. Box 30220; Lansing, Michigan 48909.

UNAUTHORIZED TRANSFERS

(a) Consumer liability.

• **Generally.** Tell us AT ONCE if you believe your card and/or code (PIN) has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check or draft. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code (PIN), you can lose no more than \$50.00 if someone used your card and/or code (PIN) without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code (PIN), and we can prove we could have stopped someone from using your card and/or code (PIN) without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

• **Additional Limit on Liability for Visa®-branded Debit Card.** Unless you have been negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa®-branded Debit Card. This additional limit on liability does not apply to ATM transactions outside of the U.S., to ATM transactions not sent over Visa or Plus networks, or to transactions using your Personal Identification Number which are not processed by VISA®. Visa is a registered trademark of Visa International Service Association.

(b) Contact in event of unauthorized transfer. If you believe your card and/or code (PIN) has been lost or stolen, call or write us at the telephone number or address listed in this disclosure. You should also call the number or write to the address listed in this disclosure if you believe a transfer has been made using the information from your check or draft without your permission.

ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this disclosure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for Visa®-branded Debit Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for Visa®-branded Debit Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements or account histories that you receive.
4. Don't lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to "transaction" accounts, but not to savings or share savings accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Share draft accounts are the most common transaction accounts. Savings accounts and share savings accounts are examples of savings deposits. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

LONGER DELAYS MAY APPLY

Case-by-case delays. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the fifth business day after the day of your deposit. The first \$225.00 of your deposits, however, will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

We believe a check you deposit will not be paid.

You deposit checks totaling more than \$5,525.00 on any one day.

You redeposit a check that has been returned unpaid.

You have overdrawn your account repeatedly in the last six months.

There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the eleventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,525.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the eleventh business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the fifth business day after the day of your deposit.

All ATMs that we own or operate are identified as our machines.

SUBSTITUTE CHECKS AND YOUR RIGHTS

As our member we think it's important for you to know about substitute checks. The following Substitute Check Disclosure provides information about substitute checks and your rights. So you will recognize substitute checks when you receive them, we have included a copy of the front side of a substitute check along with an explanation of the substitute check's components.

What is a substitute check?

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, overdraft or returned item fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to dividends on the amount of your refund if your account is an dividend-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (plus dividends if your account earns dividends) within 10 business days after we received your claim and the remainder of your refund (plus dividends if your account earns dividends) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any dividends on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at:

Advia Credit Union
6400 West Main St.
Kalamazoo, MI 49009
844.238.4228

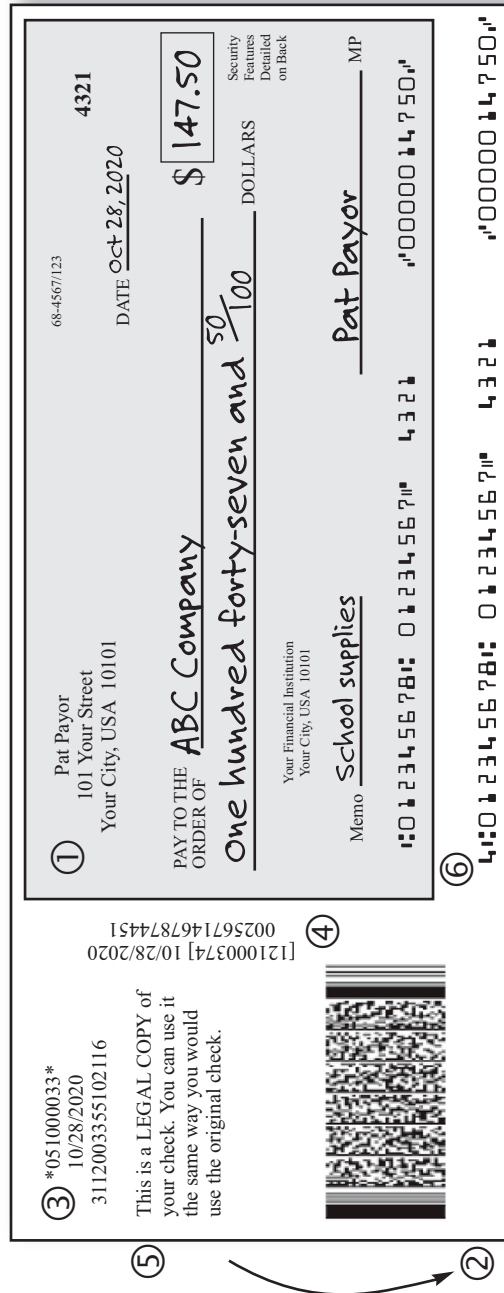

You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include —

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check or the following information to help us identify the substitute check: the check number, the amount of the check, the date of the check, and the name of the person to whom you wrote the check.

SUBSTITUTE CHECK IMAGE

Below is an image of a sample substitute check. The numbers listed below the image correspond with the numbers on or near the substitute check image and the corresponding text explains the various components of a substitute check.

These numbers correspond with the numbers on the Substitute Check Image:

- 1 An image of the original check appears in the upper right-hand corner of the substitute check.
- 2 A substitute check is the same size as a standard business check.
- 3 The information in asterisks relates to the "reconverting bank"—the financial institution that created the substitute check.
- 4 The information in brackets (appears sideways facing check image) relates to the "truncating bank"—the financial institution that took the original check out of the check processing system.
- 5 The Legal Legend states: *This is a LEGAL COPY of your check. You can use it the same way you would use the original check.*
- 6 The MICR lines at the bottom of the image of the original and at the bottom of the substitute check are the same except for the "4" at the beginning of the MICR line on the substitute check, which indicates that it is a substitute check being moved forward for collection purposes. It is also possible for the MICR line on the substitute check to begin with a "5" if the item is being returned. The rest of the MICR line is the same as the original check to ensure that it is processed as though it were the original.

The penalty we may impose will equal 90 days dividends on the amount withdrawn subject to penalty.

Withdrawal of dividends prior to maturity - The annual percentage yield is based on an assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

You will have a grace period of seven calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.
